Ahmed Alluqmani

Information Technology Graduate

ahmedalluqmani0@gmail.com +966 58 333 0004 Riyadh, Saudi Arabia Linkedin

SUMMARY

IT graduate focused on AI engineering, currently in Tuwaiq Academy's Data Science & AI bootcamp. Hands-on experience building LLM-powered applications and machine learning applications, with work spanning tech and large-scale Hajj field operations. Top 20 of 1,888 in the Aramco Consulting Championship.

PROFESSIONAL EXPERIENCE

AI and Information Technology Intern 06/2025 – 09/2025
The Chairman Group Jeddah, Saudi Arabia

- **Strategic Client Analysis:** Conducted data analysis on prospective clients to identify business gaps, providing actionable insights that directly supported the agency's branding and marketing proposals.
- **Machine Learning & Automation:** Initiated and developed a machine learning prototype to automate client data analysis.
- **Cross-Functional IT Support:** Served as the primary technical point of contact for the office.

Field Auditor 05/2024 – 06/2024
NUSUK Makkah, Saudi Arabia

- **Operational Auditing & Compliance:** Conducted on-site field audits across 100+ hotels and local Hajj organizations during peak season, verifying compliance with NUSUK's service guidelines.

EDUCATION

Bachelor of Information Technology 08/2021 – 06/2026
King Abdulaziz University Jeddah, Saudi Arabia

- **GPA:** 4.64 / 5.00

Data Science & AI Bootcamp 09/2026 – 12/2026
Tuwaiq Academy, Riyadh
